ARTICLE ONE. INTRODUCTORY PROVISIONS

1.1 Marital Status

I am not currently married.

1.2 Identification of Living Children

I have three living children as follows:

<u>Name</u>	<u>Date of Birth</u>
Alexis Elizabeth Smith	January 20, 1985
Aaron Moises Rubio	September 22, 1994
Samuel Moises Rubio	February 25, 2003

1.3 No Deceased Children

I have no deceased children.

1.4 No Contract Affecting Will

I have not entered into any contract to make a will or a testamentary gift, to not revoke a will or a testamentary gift, or to die intestate.

1.5 No Exercise of Power of Appointment

I intentionally refrain from exercising any power of appointment that I now possess or that hereafter may be conferred on me.

ARTICLE TWO. GIFT OF ENTIRE ESTATE

2.1 Gift of Entire Estate

I give all of my property to the trustee of the Moises Rubio Revocable Trust, created under the declaration of trust executed on the same date as, but immediately before, the execution of this will, by Moises Rubio, as Settlor and Trustee. The trustee of that trust shall add the property disposed of under this will to the trust principal and hold, administer, and distribute the property in accordance with the provisions of that declaration of trust, including any amendments and restatements of that declaration of trust that have been made before or after execution of this will.

ARTICLE THREE. RESIDUARY PROVISIONS

3.1 Disposition of Residue

If the Moises Rubio Revocable Trust has been revoked, terminated, or declared invalid for any reason, I give the residue of my estate to Samuel Moises Rubio, as trustee, who shall hold, administer, and distribute the property under a testamentary trust, the terms of which shall be identical to the terms of the Moises Rubio Revocable Trust that are in effect on the date of execution of this will or such later date on which this will is republished.

ARTICLE FOUR. EXECUTOR

4.1 Nomination of Executor

I nominate Samuel Moises Rubio, my son, as executor of this will.

4.2 Successor Executors

If the office of executor becomes vacant, by reason of death, incapacity, or any other reason then I nominate Josefina Dorres, my sister-in-law, as successor executor.

If Josefina Dorres is unable (by reason of death, incapacity, or any other reason), then I appointed Luzelena Rosales, my sister-in-law as executor of this will. If Luzelena Rosales is unable or unwilling to serve as successor executor, a new executor or set of coexecutors shall be appointed by the court.

4.3 Waiver of Bond

No bond or undertaking shall be required of any executor nominated in this will.

4.4 General Powers of Executor

The executor shall have full authority to administer my estate under the California Independent Administration of Estates Act. The executor shall have all powers now or hereafter conferred on executors by law, except as otherwise specifically provided in this will, including any powers enumerated in this will.

4.5 Power to Access Digital Assets

I consent to the disclosure to the executor of all my digital assets including the contents of electronic communications sent or received by me. For purposes of this instrument, “digital asset” has the same meaning as set forth in California Probate Code section 871, or applicable successor statute. This authority is intended to constitute “consent to disclosure of the content of electronic communications” under the Revised Uniform Fiduciary Access to Digital Assets Act (California Probate Code sections 870 et seq. or applicable successor statute), and “lawful consent” under the Stored Communications Act (18 U.S.C. sections 2701 et seq. or applicable successor statute), and the Computer Fraud and Abuse Act (18 U.S.C. section 1030 or applicable successor statute), to the extent that such consent is required.

4.6 Power to Invest

The executor shall have the power to invest estate funds in any kind of real or personal property, as the executor deems advisable.

4.7 Division or Distribution in Cash or in Kind

In order to satisfy a pecuniary gift or to distribute or divide estate assets into shares or partial shares, the executor may distribute or divide those assets in kind, or divide undivided interests in those assets, or sell all or any part of those assets and distribute or divide the property in cash, in kind, or partly in cash and partly in kind. Property distributed to satisfy a pecuniary gift under this will shall be valued at its fair market value at the time of distribution. This section shall apply only to the extent that it does not conflict with the provisions of the Moises Rubio Revocable Trust.

4.8 Power to Sell, Lease, and Grant Options to Purchase Property

The executor shall have the power to sell, at either public or private sale and with or without notice, lease, and grant options to purchase any real or personal property belonging to my estate, on such terms and conditions as the executor determines to be in the best interest of my estate.

4.9 Power to Purchase Estate Property

The executor shall have the power to sell any property of my estate to, or exchange any property of my estate with the property of, any person serving as executor at the time of the sale or exchange, provided that any such sale or exchange shall be for adequate consideration.

4.10 Payments to Legally Incapacitated Persons

If at any time any beneficiary under this will is a minor, or it appears to the executor that any beneficiary is incapacitated, incompetent, or for any other reason not able to receive payments or make intelligent or responsible use of the payments, then the executor, in lieu of making direct payments to the beneficiary, may make payments to the beneficiary's conservator or guardian; to the beneficiary's custodian under the Uniform Gifts to Minors Act or Uniform Transfers to Minors Act of any state; to the beneficiary's custodian under the California Uniform

Transfers to Minors Act until the beneficiary reaches the age of twenty-five (25) years; to one or more suitable persons as the executor deems proper, such as a relative or a person residing with the beneficiary, to be used for the beneficiary's benefit; to any other person, firm, or agency for services rendered or to be rendered for the beneficiary's assistance or benefit; or to accounts in the beneficiary's name with financial institutions. If there is no custodian then serving or nominated to serve by the testator for a beneficiary, the personal representative or executor, as the case may be, shall designate the custodian. The receipt of payments by any of the foregoing shall constitute a sufficient acquittance of the executor for all purposes.

ARTICLE FIVE. CONCLUDING PROVISIONS

5.1 Definition of Death Taxes

The term "death taxes," as used in this will, shall mean all inheritance, estate, succession, and other similar taxes that are payable by any person on account of that person's interest in my estate or by reason of my death, including penalties and interest, but excluding the following:

- (a) Any additional tax that may be assessed under Internal Revenue Code Section 2032A.
- (b) Any federal or state tax imposed on a "generation-skipping transfer," as that term is defined in the federal tax laws, unless the applicable tax statutes provide that the generation-skipping transfer tax on that transfer is payable directly out of the assets of my gross estate.

5.2 Payment of Death Taxes

Pursuant to the Moises Rubio Revocable Trust executed on the same date as, but immediately before, the execution of this will by Moises Rubio, as Settlor and Trustee, all death taxes, whether or not attributable to property inventoried in my probate estate, shall be paid by the trustee from that trust. If that trust does not exist at the time of my death, or if the assets of that trust are insufficient to pay the death taxes in full, I direct the executor to pay any death taxes, whether or not attributable to property inventoried in my probate estate, that cannot be

paid by the trustee, by prorating and apportioning those taxes among the persons interested in my estate, as provided in the California Probate Code.

5.3 Simultaneous Death

If any beneficiary under this will and I die simultaneously, or if it cannot be established by clear and convincing evidence whether that beneficiary or I died first, I shall be deemed to have survived that beneficiary, and this will shall be construed accordingly.

5.4 Survivorship Requirement

For purposes of this will, a beneficiary shall not be deemed to have survived me if that beneficiary dies within thirty (30) days after my death.

5.5 Intentional Omission of Children Born or Adopted After Execution of Will

Except as otherwise provided in this will, I have intentionally failed to provide in this will for any children born to or adopted by me after the execution of this will.

5.6 No-Contest Clause

If any beneficiary under this will, singularly or in combination with any other person or persons, directly or indirectly does any of the following acts, then the right of that person to take any interest given to him or her by this will shall be void, and any gift or other interest in my estate to which the beneficiary would otherwise have been entitled shall pass as if he or she had predeceased me.

(a) Without probable cause challenges the validity of this will on any of the following grounds:

- (i) Forgery;
- (ii) Lack of due execution;
- (iii) Lack of capacity;
- (iv) Menace, duress, fraud, or undue influence;
- (v) Revocation pursuant to the terms of this will or applicable law;

(vi) Disqualification of a beneficiary under California Probate Code section 6112 or 21380.

(b) Files a pleading to challenge the transfer of property on the grounds that it was not the transferor's property at the time of the transfer;

(c) Files a creditor's claim or prosecutes any action against the estate for any debt alleged to be owed to the beneficiary-claimant.

5.7 Definition of Incapacity

As used in this will, "incapacity" or "incapacitated" means a person operating under a legal disability such as a duly established conservatorship, or a person who is unable to do either of the following:

(a) Provide properly for that person's own needs for physical health, food, clothing, or shelter; or

(b) Manage substantially that person's own financial resources, or resist fraud or undue influence.

The determination of incapacity shall be made by the executor during probate administration and according to the terms of the trust during trust administration.

5.8 Number and Gender

As used in this will, references in the masculine gender shall be deemed to include the feminine gender, neuter genders, and non-binary identity, and vice versa, and references to the singular shall be deemed to include the plural, and vice versa, wherever the context so permits.

5.9 Captions

The captions appearing in this will are for convenience of reference only, and shall be disregarded in determining the meaning and effect of the provisions of this will.

5.10 Severability Clause

If any provision of this will is invalid, that provision shall be disregarded, and the remainder of this will shall be construed as if the invalid provision had not been included.

5.11 California Law to Apply

All questions concerning the validity and interpretation of this will shall be governed by the laws of the State of California in effect at the time this will is executed.
